OUR STORY

The Millcreek Brewing Company began over 17 years ago in our brewer's garage. With the encouragement of friends and family, he joined with two partners, who had a similar love of craft beer, to embark on a journey to open Millcreek's original brewpub.

The brewery is located in the former Sportsmen's Athletic Club building. The totally renovated 10,000-square-foot space is defined by a large Bierhalle in the back of the building that features two-story ceilings, exposed beams, hardwood floors, wooden library tables from Cathedral Prep High School, church pews from a Venango County church, and bowling alleys from the Erie Maennerchor Club, which were repurposed into tables. Just outside the Bier Halle is a 5,000-square-foot Biergarten resplendent with flowers and a fountain. A more intimate Bierstube, with its own outdoor patio, is located in the front of the building.

Showcasing a 30-tap system at both bars, with at least six original MBC craft beers on draft, there is a beer for every taste. In addition to the craft beers, you can quench your thirst with your favorite wine or mixed drink. Our menu features unique pub fare, including macaroni and cheese egg rolls, hand-pressed burgers, our signature Brewben, our mouth-watering pulled pork, as well as, traditional favorites like sandwiches, pizzas, wings and salads. Don't forget to try our homemade potato chips and fresh-cut fries!

We hope you enjoy your visit. And remember, "If you love beer, you should be here!"
